

**MARCH 15-17, 2019**

## Parent & Spectator Information

Please allow plenty of time to park and find the meet locations. This meet coincides with BNP Pariba Tennis Tournament, the busiest week in the desert. This may cause traffic congestion. The Westin Mission Hills is a large resort and there will likely be lines at spectator admission.

While we encourage you to arrive early, the spectators may not enter the ballroom more than 30 minutes prior to session. If you have paid for an all day pass you may come in and out of any session at any time.

We are happy to have Brian Johnson Photography at our meet. They will be up close on the floor and can take "Grandparent worthy" shots of your daughter competing. You can contact him to book appointment at his website at [brianjohnson.space](http://brianjohnson.space).

We have a large amount of teams in some sessions. But if everyone is checked in for the session with time to spare, we may start warm-up a few minutes early.

We are proud to host the 2019 So Cal State Championship Meet in a beautiful facility! Please know that wristbands or session stamps will be required at the door entry, whether or not a security volunteer asks or not. Anyone attempting to enter the meet without a stamp or wristband may be asked to leave without warning.
